

Dear

**Introducing the Implant Referral Service at The Dutch Barton Dental Service with Mr Simon Fieldhouse.**

As a long established practice located in Bradford on Avon and known locally for excellent patient care we are pleased to offer a referral service for implants, with our resident implantologist and registered specialist in oral surgery, Mr Simon Fieldhouse B.Sc (Hons), BDS, FDSRCS (England).

Clients today expect their dental practitioner to offer a complete range of dental services. In conjunction with your own treatment menu, we can offer implants to replace teeth lost through gum disease, tooth decay or accidents.

We accept referrals for:-

- Single and multiple implants including guided bone regeneration as required.
- Implant re-treatments.
- Sinus lifts.

Using state of the art surgical equipment plus the services of Straumann and Oral Ceramics we promise that we will provide the best standard of care for your patients. This will include monitoring during the recovery period and yearly reviews.

Simon has many years experience in implant and oral surgery and would be pleased to discuss your cases with you on an informal basis.

***Our fees are extremely competitive.***

We accept implant referrals by the usual means. Please call 01225 862377 to discuss individual cases, post back the enclosed referral form or send an email to [simon@dutchbartondental.co.uk](mailto:simon@dutchbartondental.co.uk).

We look forward to hearing from you in the near future.

With best wishes,

**The Team at Dutch Barton Dental**

In association with  
**straumann**
