ENDODONTIC FEE GUIDE :

ITEM	COST
Consultation	£ 65.00
Incisor and Canine	£ 415.00
Premolar	£ 490.00
Molar	£ 550.00
Retreatment, from additional	£ 90.00
Provision of core filling	£ 50.00
Provision of adhesive fibre post	£ 150.00
Provision of cast metal post	£ 300.00
Apical microsurgery from	£ 300.00

Your patient will be given an itemised estimate and advised on the exact costs of each individual case prior to starting treatment. The treated tooth will be left in a position to make your future restorative work the most straight-forward possible and a full written report provided for your records.
